

“Prior to entering into EMS, I held various management positions at Bausch and Lomb & CooperVision. During this time, I pursued obtaining my EMT. I volunteered at Chili Ambulance and held the positions of Lieutenant and Deputy Chief. After realizing this was my passion, I made the decision to make a career change. I became a full-time employee with CHS in 2010 and I have held the position of Lieutenant and Captain within the organization. Currently, I am the Community Outreach Coordinator, a QA Auditor, and Scheduler. In addition, I recently received my Certified Ambulance Documentation Specialist certification, and I am on the agency Compliance Team.”

Deb Curran

CHS MIHC EMT

Hometown: South Glens Falls, NY

*When I think Of CHS, I think
“Caring. Innovative. Professional.”*

In my free time:

I enjoy walking our dog as well as hanging out at our pool with Kim during the summer months. If I am home alone, I like to listen to loud music! I also enjoy visiting my family that lives about 4 hours northeast of here.

My favorite movie quote:

I don't have a favorite line from a movie, but I do have a favorite movie: Urban Cowboy with John Travolta.

If I had the ability to meet anyone:

Author, Stephen King.

If I had to pick the most shocking thing that people would not know about me:

On a personal level, I have a special needs brother who lives in Lake George, and I have been his Legal Guardian for the past 4 years. I assume this role after my mother's health took a significant decline and she could no longer care for him. I enjoy being his Guardian and making decisions on his behalf to afford him the best care he can possibly have. In addition, I am on the Executive Board for the Monroe County Peer Support Team and I recently joined the American Red Cross Disaster Action Team. I truly believe in helping others during their worst time and each of these provides gratification in different ways.
